AGREEMENTS FOR TELEPHONE UTILITIES)	PHASE II
PURSUANT TO CHANGES TO BE EFFECTIVE)

O R D E R

Commission Order dated May 1, 1985 in the above-styled matter approved tariff provisions which required all interexchange carriers to file Universal Local Access Service ("ULAS") Reports. For administrative purposes, future ULAS reports should be filed under the above-mentioned case style and number. Most, if not all interexchange carriers, have requested and have been granted confidential protection pursuant to 807 KAR 5:001, Section 7. The Commission finds that disclosure of these reports is likely to cause the respective interexchange carrier competitive injury and the reports are entitled to confidential protection on a continuing basis unless, or until, the Commission should order differently.

The Commission, on its own motion, HEREBY ORDERS that:

1. All interexchange carriers required to file ULAS Reports shall file said reports under the above-mentioned case name and number.

2. All previously filed ULAS Reports in the Commission's possession will be filed by the Commission in the above-mentioned case file.

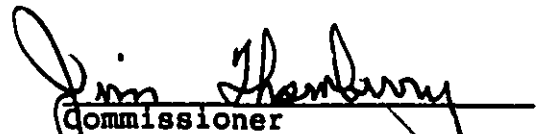

3. All ULAS Reports required to be filed herein shall be held and retained by the Commission as confidential and shall not be open for public inspection.
